

## ORGANISATION

---

Henning Larsen Architects is the most international architectural company in Denmark with projects in more than 20 countries. The company currently employs 165 people.

Henning Larsen Architects is managed by a management team consisting of CEO, Mette Kynne Frandsen, International Design Director, Louis Becker and Design Director of Scandinavian projects, Peer Teglggaard Jeppesen. All directors are architects and partners.

In 2008, Henning Larsen Architects established a subsidiary company in Saudi Arabia, Henning Larsen Middle East, with an office situated in central Riyadh. The office is managed by architect and partner, Jacob Kurek.

Henning Larsen Architects also has an office in Munich, Germany, managed by architect Werner Frosch, and another office in Beirut, Lebanon, managed by architect and associate Anne Marie Galmstrup.
